

QACS

Work instruction for Client QA-WI-03

1. FSE/FBO must display FSSAI License/ registration at prominent place.
2. FSE/FBO may display Hygiene rating certificate at prominent place visible for consumer. Size should not be less than 9" x 11".
3. Only FSE/FBO Getting 3 or more than 3 rating will display the certificate. Others will focus on improvement to reapply in 3 months.
4. FSE/FBO having license should mandatory do following testing Water-Annually, Food sample-annually.
5. FSE/FBO scoring 4 or less than 4 rating may apply for re-verification.
6. FSE/FBO should not advertise Hygiene rating score as endorsement of FSSAI, The hygiene rating is score based on internal system of FSE/FBO.
7. The FSE/FBO should maintain the system or improve it, as it was at the time of audit/inspection.
8. FSSAI/Local food department can conduct surprise inspection on random basis and if any FSE/FBO do not perform as per given rating, re-audit/inspection of Hygiene rating would be conducted which may result in changes in rating.
