

QACS INTERNATIONAL PVT. LTDDate 11-10-2025

To,

All Clients of ISMS (certified/Applicant)

Subject: Transition to ISO 27006-1:2024.

Dear sir,

This is to inform you that Transition of QACS International for ISO/IES 27006-1: 2024, is completed.

Hence we will be using the requirements for certification bodies as mentioned in ISO/IES 27006-1:2024.

And **all new application would be accepted as per new requirements** mentioned in above standard.

As already informed the following extra requirement is added in the audit checklist:

1. Detail of physical relevant site/ remote sites. In case of absence of Physical relevant site the certificate documents will have following:

The certificate documents will include the following reference:
"The client do not have relevant physical site- all activities are conducted remotely"
2. For the clients whose application is already pending with QACS but no stage 1/stage 2 audit is conducted till now, Audit time will be recalculated and next audit would be conducted as per new requirements. (Which may lead to new quotation).

For any further information or guidance please be in touch with operational department.
